A few things to note:

- You must be present in the room 5 minutes before the start of each assessment.
- You will not be allowed to leave an assessment until the end of the assessment.
- Please bring all necessary equipment for assessments, for example pens, pencils, dictionaries, calculators, etc.
- During the assessment, only equipment required will be allowed on the desk; bags will be at the front of the room.
- During the assessment block no new content will be covered, you will be consolidating and/or revising work.
- During the assessment block no homework will be issued to allow you to prepare for your assessments.
- Your break and lunch times might change due to the length of some assessments.

If you have two assessments on one day (marked by an asterisk), please see Mrs Widdowson as soon as possible.

Please remember to plan ahead and manage your time on the run up and during this Assessment Block.

Good luck!
